

# Are your mobile apps *Slowing* you down?

Coming soon to:

Real estate pros can once again have better tools and data than consumers.

## MOBILE MLS DONE BETTER

- Faster API than all major portal apps
- High-accuracy search engine
- No training required
- Non-dues revenue opportunity
- Trusted MLS mobile solution provider

Finally! Bringing it all together... natively.

*“Goomzee has quickly caught on with MRED customers... over 1000 logins in the 1st day!”*
